

Management Company Announcement!

SCS Management Services is happy to announce that we have moved to a new location in the Energy Corridor and have also merged with Chaparral Management Company and will now be Chaparral Management Company – Katy!

Both companies have been strong leaders in our industry for over 40 years and together we look forward to continue building on those strengths as we continue to grow in the Greater Houston Area!

Your Management and Leadership Teams have not changed. You can still email or call our office and communicate with the same staff members when you need assistance.
