FENCE CONSTRUCTION UPDATE

The new fence installation is in progress and should be completed in early October. We had a slight delay with material but we are back on track. Please be patient as construction continues and we appreciate your cooperation. Feel free to contact the management company at 281-463-1777 if you have any questions or concerns.

Upcoming Events

National Night Out

Tuesday, October 6th from 6:00-9:00pm at the pool entrance.

Join us for food and games while meeting your neighbors at National Night Out. "National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live. Together, we are making that happen." (<https://natw.org/about>)

We will be doing a **COOKIE SWAP** at National Night Out! If you would like to participate, bring two dozen of your favorite cookies (homemade or store bought). We will provide baggies for the swap so you can take home lots of goodies.

FRIENDLY REMINDERS

Tree Trimming:

Please make sure to keep your trees trimmed back in your front and back yard. If your tree limbs are hanging over your neighbor's fence, please make sure you are maintaining them properly. Tree branches should be trimmed back to allow for head clearance as people walk along the side walk.

Curb Painting:

The issue of curb painting has come up recently and many residents have received letters to remove their curb paint. The deed restrictions do not allow paint of any kind on the concrete on a lot. This is to maintain consistency throughout the neighborhood. Homeowner's are responsible for keeping their shrubs trimmed back away from the numbers on their home. Curb numbers are not the only method for first responders to locate a home. Keeping a light on near your house number is the best way for first responders to identify your address in the event of an emergency.
